Beware of Fraud!

Emails that appear to be from an app that you have, like "Cash App" or Venmo" that say you are due a credit/or bonus, etc. They offer to email you a check, but you must send them money first. This is fraud, you will be out the money you sent and the check you receive Via email is Fraudulent. The old saying "If it seems too good to be true, it probably is"

If you are unsure, please reach out to us and we can help determine if the offer is legitimate. Your account could be closed or flagged if you present a fraudulent check, so please beware of fraud emails and messages.
