COASTAL SCHOLARSHIPS

Michigan Coastal believes in the power of education. We also understand that between the costs of college tuition, textbooks, housing, transportation, and supplies, the thought of paying for college can be overwhelming and may even detour educational dreams. But we believe in the value of furthering your education and we want to help. That's why we're pleased to offer the opportunity to apply for one of our four college scholarship awards to help with expenses. Adding value to people and our community matters to us!
